

## **2012 FlyWine Sonoma Valley Red Wine – “The KitchenSink”**

**Varietal:** 45% Barbera, 45% Syrah, 7% Grenache, 3% Viognier

**Cases Produced:** 70 Cases

**WineMaker:** Heather Munden

**Vintner:** Stephanie DeMasi

**“Super Juicy and Concentrated!”** Made from a distinctive blend of 45% Barbera, 45% Syrah and the rest Grenache and dollops of several other grapes, the medium-bodied 2012 reveals a dark ruby color as well as a big, sweet kiss of peppery red and black currants, sweet and sour cherries, new saddle leather and spice box. It is an ideal pizza or hamburger wine. Drink it over the next 1-2 years. (*barrel sample*)

**90 Points, Wine Advocate, Robert Parker, 10/31/2013**

### **The FlyWine Promise**

With roots in the Napa Valley, FlyWine is lucky to count many local winemakers as friends. For each release of FlyWine, we plan to tap a REAL WINEMAKER to make REAL WINE to share with you. Each winemaker will share his or her adventure in making their exclusive wine for FlyWine, so you can learn direct from the source what makes the wine special. Each winemaker will also choose a charity, to which a portion of the proceeds will be donated. In this way, FlyWine is dedicated to investing in winemakers’ visions, quality fruit, and inspiring charities.

**Charity:** DogIsMyCopilot. An animal rescue organization dedicated to saving animals lives by facilitating air transport for abandoned and abused cats and dogs to areas where they have better chances of adoption. The organization is based in Jackson Hole, Wyoming and currently rescues animals in ten states.
